DUIVENKWEEKSTATION NEDERLAND

YOUNGSTERS 2021

In 2020 I started with Duivenkweeksation Nederland with the idea to breed youngsters from the best of best for affordable prices.

In recent years I invested a lot in good pigeons for the one day long distance and the (extreme) long distance. On my loft I have direct pigeons from Batenburg - v.d. Merwe, from a.o. the lines of Lloyd, Special One, New Laureaat; H. Wijnands & Zn. from a.o. the lines of Blauwe Vanoppen, Triple A, Rambo; Jo & Florian Hendriks, from the lines of Harry, New Harry, Bono Harry and King Kong; Frank Zwiers from a.o. the lines of Fury and Bernadette. There are also pigeons on my loft from Gerard Koopman, Jan v.d. Pasch and daughter, from a.o. the line of Olympic Hurricane and of course my own acepigeons and my 1st prize winners.

I (undersigned) wishes to order the following youngsters 2021 *
