

## YOUNGSTERS 2022

FORMER

In 2020 I started with Duivenkweekstation Nederland with the idea to breed youngsters from the best of best for affordable prices. In recent years I invested a lot in good pigeons for the one day long distance and the (extreme) long distance. On my loft I have direct pigeons from **Batenburg - v.d. Merwe**, from a.o. the lines of Lloyd, Special One, New Laureaat; **H. Wijnands & Zn.** from a.o. the lines of Blauwe Vanoppen, Triple A, Rambo; **Jo & Florian Hendriks**, from the lines of Harry, New Harry, Bono Harry and King Kong; **Frank Zwiers** from a.o. the lines of Fury and Bernadette. There are also pigeons on my loft from **Gerard Koopman, Jan v.d. Pasch and daughter**, from a.o. the line of Olympic Hurricane and of course my own acepigeons and my 1st prize winners.

### I (undersigned) wishes to order the following youngsters 2022 \*
